

Addiction Recovery Support Center

YOUR recovery community is right here!

Mosaic Place is a peer-led community for individuals living in or seeking recovery, as well as their families and significant others. Everyone who works at Mosaic Place lives a full life in long-term recovery and is trained to support you on your journey. Activities at Mosaic Place may include:

- **Social support activities** to help individuals living in or seeking recovery build a community network of friends and family members who support your recovery
- **Recovery support meetings** (see our Facebook page calendar) including All Recovery, Double Trouble, Crystal Meth Anonymous, Alcohol Anonymous, Narcotics Anonymous, family support and more
- **Peer recovery check-ins** to reinforce positive personal decision-making, talk about challenges you may be facing and remain accountable for your recovery
- **Workshops** about topics that support your life in recovery including health and wellness, understanding addiction, the legal system, self-expression, decision-making and more
- **Employment assistance** including skill development, work maturity, resume writing, interviewing skills, career coaching and more
- **Community linkages** to other services and supports such as supportive housing, mental health and addiction treatment, food pantries, utility assistance and more
